

Instituto Nacional de Investigación Agropecuaria
URUGUAY

**THE NATIONAL AGRICULTURAL RESEARCH
INSTITUTE OF URUGUAY (INSTITUTO NACIONAL DE
INVESTIGACIÓN AGROPECUARIA - INIA)
IS SEEKING QUALIFIED APPLICANTS FOR THE
FOLLOWING POSITIONS:**

GENERAL COORDINATOR OF THE COMMUNICATION AND TECHNOLOGY TRANSFER UNIT - INNOVATION AND COMMUNICATION MANAGEMENT OFFICE

Objective: Leading the definition, design and implementation of strategic plans for technology transfer and validation, as well as providing support to the dissemination and communication area.

Requirements/Qualifications: University professional with training in the area in Agricultural Sciences and postgraduate studies in related areas (preferred); employment history with an emphasis in the field of specialization of the Communication and Technology Transfer Unit (an advantage), with knowledge of management and project management, technology transfer and validation programs, team leadership and high involvement with the public and private sector in the agri-food sector.

Work Conditions: Full-time position. Availability to travel to all regional offices in Uruguay and abroad.

COORDINATOR OF SECTORAL TECHNICIANS COMMUNICATION AND TECHNOLOGY TRANSFER UNIT - INNOVATION AND COMMUNICATION MANAGEMENT OFFICE

Objective: Leading activities related to the coordination of the team of sectoral technicians whose overall objective is to improve aspects of the transfer, validation and adoption of technology. The priority public on whom to focus the transfer and validation of technology is the production group: rural producers, technicians, agro-industries and organizations of producers, as well as other organizations and institutions.

Requirements/Qualifications: University professional with training in Agricultural Sciences, postgraduate studies in related areas (an advantage) and experience in cooperation and management of partnerships with private and public stakeholders in the agricultural context, as well as in technology transfer and validation, with emphasis on production systems.

Work Conditions: This is a term contract, with a probation period of one year and a renewal option for an additional three-year term subject to performance evaluation, financed by the Fund for the Promotion of Agricultural Technology (FPTA). Availability to travel to all regional offices in Uruguay and abroad. Full-time position (preferred) and place of work to be agreed.

**Interested candidates must submit their full and updated curriculum vitae attaching copies of degrees and stating salary expectations to rrhh@inia.org.uy. Please refer to this vacancy announcement in the email subject. See conditions at www.inia.uy
Deadline for submission of CVs: July 31, 2017**
